Industry Leading Warranty

Structural Lifetime Warranty

All RCW wheels are distributed by Speedy Corporation Pty Ltd and manufactured in accordance with and tested to conform to internationally accredited standards and as such, are covered by a Lifetime Structural Warranty to the original end-user against manufacturing faults or defects in the structural body of the product.

The **Structural Lifetime Warranty** does not cover structural failure from abnormal wear and tear, overloading or exceeding the wheel's stated load capacity, pairing with

tyres of a higher load capacity than the wheel, over/under tyre inflation, wheels which have been repaired or machined other than by RCW or the original manufacturer, incorrect torquing and use of wheel nuts or bolts other than RCW brand, owners negligence or abuse, impact damage from being driven upon pot holed road surfaces, or over road surface hazards and any wheel used for motorsport purposes.

The **Structural Lifetime Warranty** provides free replacement to the original end-user.

Accessories

RCW stock a wide range of premium quality wheel accessories. We have accessories for our entire collection to suit a range of vehicles.

All of our RCW accessories are designed and tested to perform under Australia's harsh operating conditions and subject to proper use and care, are underwritten by our industry leading product warranty guarantees. For full specifications and to view the complete range, visit our website rcwheels.com.au

Traffic authority regulations can vary between States and Territories of Australia. Speedy Corporation Pty. Limited recommends that a check be made with the relevant authority, for wheel and vehicle suitability in regard vehicle track dimensions and wheel and tyre load rating compatibility, prior to wheel purchase by the consumer.
